
Greater New York Chamber of Commerce

May 1, 2019

Thank you for your continued support with the Greater New York Chamber of Commerce!

Enclosed is your 2019 membership plaque. We are happy to have you as a member and appreciate your support of our business & civic community organization.

We encourage you to attend the networking receptions, business expos and international trade receptions, as they are excellent places for you to meet with fellow members. In addition, we also offer seminars & business workshops. These events offer opportunities to meet with businesses and for you to promote your business. The Chamber has several committees if you have a desire to get involved.

Please come to our monthly Open House Networking Receptions so you can meet our wonderful staff and our members.

Again, welcome to the most influential business organization in Metro New York City Area.

Sincerely,

Helana Natt

Executive Director
