To Whom It May Concern:

Gemini Pharmaceuticals, Inc., located in Commack, NY, is a current member in good standing with the Natural Products Association through December 31, 2020.

The Natural Products Association is a trade organization representing retailers, manufacturers and distributors of the natural products industry. As the largest natural products trade association in the US, the Natural Products Association represents its member's interests before the FDA on enforcement procedures, health claims, and labeling issues and before the states' legislature on nutritional information matters.

Mission Statement

As the leading voice of the natural products industry, the Natural Products Association's mission is to advocate for the rights of consumers to have access to products that will maintain and improve their health, and for the rights of retailers and suppliers to sell these products.

Vision Statement

The Natural Products Association strives to achieve a broader, more accessible marketplace for natural products that will improve the quality of life for consumers worldwide.

Sincerely,
